### Carl's Thoughts

How often we ask the question, "Where has the time gone?" The first Monday after Easter, I began another interim ministry with Campbellsburg Christian Church. This coming Sunday, the first Sunday of June, I will have delivered nine messages from the pulpit.

I thank God that He still uses me in time of need. Because of the pandemic, I have not made house calls. However, I have had the phone to my ears and the ears of many others.

This coming Sunday, I will be sharing a message on Seeking Spiritual Perfection. The scripture reminds us that we all have sinned and the wage of sin is death. Romans 6:21. (*So what advantage did you then get from the things of which you now are ashamed? The end of those things is death.*) We will bless God and self when we seek spiritual perfection.

The thirty-three years as pastor of the church, I wish I could say we had no problems. But, as problems came, I had the support of a wonderful loyal congregation. As we enter the sixth month of 2021, to the glory of God, let us put aside any bad feelings. As Christ has forgiven us, let us forgive one another.

I look forward every Sunday morning to seeing my Christian Church family and friends. Thrill my heart this Sunday by your presence.

Love and Peace,  
Carl

## How To Plant Your Garden

---

*Editor's Note: This is really a little late, but it goes along with Carl's sermon from 5/30.*

First, you Come to the garden alone,  
*while the dew is still on the roses.*

FOR THE GARDEN OF YOUR DAILY LIVING,  
PLANT THREE ROWS OF PEAS:

1. Peace of mind
2. Peace of heart
3. Peace of soul

PLANT FOUR ROWS OF SQUASH:

1. Squash gossip
2. Squash indifference
3. Squash grumbling
4. Squash selfishness

PLANT FOUR ROWS OF LETTUCE:

1. Lettuce be faithful
2. Lettuce be kind
3. Lettuce be patient
4. Lettuce really love one another

NO GARDEN IS WITHOUT TURNIPS:

1. Turnip for meetings
2. Turnip for service
3. Turnip to help one another

TO CONCLUDE OUR GARDEN WE MUST HAVE THYME:

1. Thyme for each other
2. Thyme for family
3. Thyme for friends

WATER FREELY WITH PATIENCE AND CULTIVATE WITH LOVE. THERE IS MUCH FRUIT IN YOUR GARDEN BECAUSE YOU REAP WHAT YOU SOW. NOT BAD, HUH?!
