Carl's Thoughts

How great it is to be a Christian in America! Sunday, July 4th, we celebrate our Independence Day. The word of God blesses us when we are a nation that trusts in Him.

Personally, I am grateful to have grown up in America. Blessings come as we bless others. When I think of America, many leaders come to my mind. Men and women who desired to make a difference in American history. True leaders go beyond self.

What a leader we have in the little boy from Nazareth. Not only did Jesus become a leader by being the Son of God, He became the Savior of all humanity.

July 4th is not only a day of fire works, not only a day of parades and saluting the American flag, but it is a day of humbly thanking God for His blessed redeeming love.

May we as a church family remember to seek God's leadership and move forward with dreams, plans and labors of love. Peace and forgiveness are Christian ingredients for Christian success.

My thoughts are an expression of my love and devotion to the church family of Campbellsburg Christian Church.

Peace and Love,
Carl
